Academic Renewal Grades:

Grades preceded by “R” (i.e. RC, RF) denote academic renewal and are excluded from the GPA calculation.

Incomplete “I”/ Incomplete Fail “IF” Grades:

Incomplete grades are awarded when a student has been granted an exception to submit work beyond the end of the term. An Incomplete “I” grade automatically becomes an Incomplete Fail “IF” grade if work has not been completed and a grade has not been submitted prior to the pre-determined expiration date.

In Progress Passing “IP” Grades:

“IP” grades are issued for some internships, practicums, and courses that span more than one academic term. The “IP” grade indicates the student is passing as of term end. Unresolved “IP” grades will automatically become a failing “F” grade.

Mastery “MA” Grades:

“MA” grades are issued for direct assessment competency-based education programs once individual competencies are mastered. “MA” is equivalent to an “A” grade on a traditional grade scale. There are no grade points associated with MA grades, therefore there is no GPA for students in direct assessment competency-based education programs.

Pass “P” and Satisfactory “S” Grades:

Pass “P” and Satisfactory “S” grades are defined as a “C” or better at the undergraduate level and a “B” or better at the graduate level. P/F grades were allowed for spring 2020 courses in response to COVID19.

Repeated Course “R”:

A student may repeat a course for credit. The last grade, whether it is higher than, the same as, or lower than the first grade is included in the cumulative GPA; the first grade is excluded. In instances where both grades are passing, credit is only earned once. “R” appears to the right of the GRDPT column of the repeated course.

Satisfactory “S”/ Unsatisfactory “U” Grades:

An “S/U” option is available in some courses to students in lieu of letter grades. A satisfactory grade may be applied toward fulfilling degree credits, but will not be applied toward the quality point average.

Unearned Fail “UF” Grades:

A “UF” grade replaces a final grade of “F” in each course for any student who ceased participation in graded activities for all courses before the 60% mark of the term.
